

# War Machine

Bryan Adams

Wanna bite the hands that feed me  
Wanna watch 'em die  
Set the demons free and see them fly

Strike down the one who leads me  
Gonna take his place  
Gonna crucify the human race

Better watch out  
'Cause I'm a war machine  
You'd better watch out  
'Cause I'm a war machine

Take the reins of power and seize them  
Draw the battle lines  
Armageddon's just a matter of time

Tear down the voice of reason  
Let the arrows fly  
Your freedom's just a state of mind

You'd better watch out  
'Cause I'm a war machine  
Yeah, you'd better watch out  
'Cause I'm a war machine  
Whoa

You'd better watch out  
'Cause I'm a war machine  
Yeah  
Yeah, a war machine  
Watch out  
'Cause I'm a war machine  
Yeah, you'd better watch out  
'Cause I'm a war machine  
Whoa
