

# What The Hell I Got?

Bryan Adams

Hey baby on my mind  
You're doin' something to me all the time  
Too much and always stoned  
I'm drinking baby, drinking all alone

Don't know what the hell I got  
Whatever it is it's an awful lot  
Hey, I'm gonna loose control  
From my liver to my very soul

Hey baby mind is blown  
Never ever want to answer the phone  
Time and time again I've tried  
But someone answers and I know he lies

Don't know what the hell I got  
Whatever it is it's an awful lot  
Hey, I'm gonna loose control  
From my liver to my very soul

I don't want to be lonely,  
No, no, no, no, no  
I don't want to be lonely,  
Lonely man without love

Suitcases in my hand  
Packing baby, packing all I can  
Tunes rolling in my head  
Make me think of all the things you said

Don't know what the hell I got  
Whatever it is it's an awful lot  
Hey, I'm gonna loose control  
From my liver to my very soul

I don't want to be lonely,  
No, no, no, no, no  
I don't want to be lonely,  
Lonely man without love

Don't know what the hell I got  
Whatever it is it's an awful lot  
Hey, I'm gonna loose control  
From my liver to my very soul

I don't want to be lonely,  
No, no, no, no, no  
I don't want to be lonely,  
Lonely man without love

Without love  
No, no, no, no, no

Without love  
No, no, no, no, no

Without love

No, no, no, no, no ...
