

# When You Love Someone

Bryan Adams

**Ami G C**

1. When you love someone, you'll do anything.  
You'll do all the crazy things  
that you can't explain.  
You'll shoot the moon, put out the sun,  
When you love someone.

2. You'll deny the truth, believe a lie.  
There'll be times that you believe  
that you can really fly.  
But your lonely nights have just begun.  
When you love someone.

R: When you love someone, you feel it deep inside  
And nothin' else could ever change your mind.  
When you want someone, when you need someone,  
When you love someone.

**Ami G C Dmi7 G (3x)**

3. When you love someone, you'll sacrifice  
Give it everything you've got  
and you won't think twice.  
You'll risk it all, no matter what may come  
When you love someone

**F Fmi**

\*: You'll shoot the moon, put out the sun  
When you love someone.
