

# You've Been a Friend to Me

Bryan Adams

If you say up - I say down  
We're the most unlikely pair  
But up or down, high or low  
You've always been right there

You've been a friend to me, a godsend to me  
I ain't too proud to say  
You've been a friend to me

Now if I'm feeling lowdown  
Or feeling ten feet tall  
Thick or thin, the shape I'm in  
Don't matter to you at all

You've been a friend to me, a godsend to me  
I ain't too proud to say  
You've been a friend to me

Whenever I needed someone  
You're right there on the line  
With a friend like you, to get me through  
I'll get by every time

Whenever I needed someone  
You're right there on the line  
With a friend like you, to get me through  
I'll get by every time

You've been a friend to me, a godsend to me  
I ain't too proud to say  
You've been a friend to me
