

Never Too Late

Bryan Andrews

This world will never be
What I expected
And if I don't belong
Who would have guessed it?
I will not leave alone
Everything that I own
To make you feel like it's not too late
It's never too late

And even if I say
It'll be alright
Still I hear you say
You want to end your life
Now and again we try
To just stay alive
Maybe we'll turn it around 'cause it's not too late
It's never too late

No one will ever see
This side reflected
And if there's something wrong
Who would have guessed it?
And I have left alone
Everything that I own
To make you feel like it's not too late
It's never too late

And even if I say
It'll be alright
Still I hear you say
You want to end your life
Now and again we try
To just stay alive
Maybe we'll turn it around 'cause it's not too late
It's never too late

The world we knew won't come back
The time we've had, can't get it back
The life we had won't be ours again

This world will never be
What I expected
And if I don't belong

And even if I say
It'll be alright
Still I hear you say
You want to end your life
Now and again we try
To just stay alive
Maybe we'll turn it around 'cause it's not too late
It's never too late
