

# Joy Is a Singable Thing

Bryan Duncan

Oh!  
Love love, mm  
Love mercy, too  
It's God's goodness getting' me through  
Love joy  
It's the greatest thing  
A sweet expression in all I do  
Makes me want to cry when I'm happy, oh  
Keeps me laughin' some time when I'm sad  
When It's good It's so unspeakable  
I can't explain it  
Oh! Don't wanna lose it tryin' to figure it out  
Joy!  
(Joy is)  
Is a singable thing  
Sho' worth singin' about  
Not peace, mm  
It's not happiness  
It must somethin' rolled up in between  
Not sure but I do know  
What I get when I live my life clean  
I ain't got, no, all the answers, no  
This feelin' makes a singer of me , yeah  
It's true I can't explain it  
Oh and I've got to have it, yo!  
Throws a light on a shadow of doubt  
Joy!  
(Joy is)  
A singable thing  
Sho' worth singin' about,  
(About)  
Oh, I said joy!  
(Joy is)  
A melody ringin'  
From the inside out  
Whoo!  
Can't imagine it'd be too hard to have it  
When you're hangin' with the heavenly host, no, no, no, no, oh, oh  
But when I'm out there facin' down my troubles  
Well, I don't mind a present from the Holy Ghost  
Yay, yay, whoo!  
(Joy is a singable thing  
Sho' worth singin' about)  
Oh, yeah!  
Singin' about!  
(Joy is a melody ringin'  
From the inside out)  
Whoo! I'm talkin' 'bout joy!  
(Joy is a singable thing  
Sho' worth singin' about)  
I say that joy!  
(Joy is a melody ringin'  
From the inside out)  
Oh yeah!, Oh! Ah! Whoo!
