A Fool for Love

Bryan Ferry

In days gone by There was a king A fool for love And all it brings

So high and wise Could read your mind A fool for love And love is blind

A crowded street An empty train A fool for love You cry in vain

A fool for love A fool for love A fool for love

In days gone by There was a queen A fool for love And all it means

Red ruby lips Don't touch me eyes A fool for love And love is blind

A fool for love A fool for love A fool for love

Like flowers in the rain I'm twisted up inside I'll never be the same

I hear the same old lines You played me for a fool You really hurt my pride

A fool for love A fool for love A fool for love

In days gone by There was a king A fool for love And all it brings

So high and wise Could read your mind A fool for love And love is blind
