

Crazy Love

Bryan Ferry

I can hear her heart beat for a thousand miles
And the heavens open every time she smiles
And when I come to her, that's where I belong
I guess I'm running to her like a river's song
She gives me love, love, love, crazy love
She gives me love, crazy love
She's got a fine sense of humour, when I'm feeling down
And when I come to her when the sun goes down
She takes away my trouble, takes away my grief
Takes away my heartache in the night like a thief
She gives me love, love, love crazy love
She gives me love, crazy love
I guess I need her in the daytime
I guess I need her in the night
Just want to throw my arms around her
And kiss her, kiss her tight
She gives me love, crazy love
She gives me love, crazy, crazy love
A crazy love
