

# Don't Stop the Dance

Bryan Ferry

Mama says: truth is all that matters  
lying and deceiving is a sin.  
Drifting through a world that's torn and tattered;  
Every thought I have don't mean a thing.  
Don't stop  
don't stop the dance.  
Don't - mama says - don't stop the dance.

Mama says: love is all the matters  
  
beauty should be deeper than your skin.  
Living for the moment  
lips and lashes;  
Will I ever find my way again ?  
Don't stop  
don't stop the dance.  
Don't - mama says - don't stop the dance.  
Don't stop  
don't stop the dance.

Mama says: only stormy weather  
  
don't know why there's no sun in the sky.  
Footsteps in the dark come together  
  
got to keep on moving or I will die.  
Don't stop  
don't stop the dance.  
Don't - mama says - don't stop the dance.  
Don't stop  
don't stop the dance.  
Don't - mama says - don't stop the dance.  
Don't stop  
don't stop the dance.
