

# Don't Worry Baby

Bryan Ferry

Well, it's been building up inside me for  
I don't know how long  
I don't know why but I keep thinking  
Something's bound to go wrong

But she looks in my eyes  
And makes me realize when she says  
(Don't worry, baby)

Don't worry, baby  
(Don't worry, baby)  
Everything will turn out all right

(Don't worry, baby)  
Don't worry, baby  
(Don't worry, baby)  
Ooh

Each morning I awake to find the sunlight  
Softly shining on her hair  
And then I realize I'm wrong in thinking  
That she really doesn't care

There's magic in her eyes  
That makes me come alive when she says  
(Don't worry, baby)  
Don't worry, baby

(Don't worry, baby)  
Everything will turn out all right  
(Don't worry, baby)

Don't worry, baby  
(Don't worry, baby)  
Ooh

She tells me, "Baby, when you leave today just  
Take along my love with you  
And if you knew how much I loved you, baby  
Nothing could go wrong for you"

What she does to me  
When she makes love to me and she says  
(Don't worry, baby)  
Don't worry, baby

(Don't worry, baby)  
Everything will turn out all right  
(Don't worry, baby)

Don't worry, baby  
(Don't worry, baby)  
Ooh, ooh

Don't worry, baby, don't worry, baby  
Don't worry, baby, don't worry, baby, ooh  
Don't worry, baby, don't worry, baby
