Fingerpoppin'

Bryan Ferry

I used to jump when you called
And I would cry when you leave
I had to plan every move
Just to keep you pleased
But I don't care no more
About nothing you do
Now I'm goin' shoppin'
Finger, fingerpoppin' on you
I got bags under my eyes
From losin' sleep
You gave me malnutrition

'Cause I just couldn't eat
But I don't care no more
About nothin' you do, boo hoo
'Cause I'm goin' shoppin'
Finger, fingerpoppin' on you
You never bought me no clothes
I had to steal what I wear
I wore shoes so long
'Til my feet were bare
But I don't care no more
About nothin' you do, oh no
And I'm goin' shoppin'
Finger, fingerpoppin' on you
