

# Help Me Make It Through The Night

Bryan Ferry

Take the ribbons from your hair  
Shake it loose and let it fall  
Lay it soft against you skin  
Like the shadows on the wall

Come and lay here by my side  
Tell the Earth upon you lied  
All I'm takin' is your time  
Help me make it through the night

I don't know what's right or wrong  
I don't try to understand  
Let the devil take tomorrow  
'Cause tonight I need a drink

Yesterday's dead and gone  
And tomorrow's out of sight  
Yes, it saddens me long  
Help me make it through the night

Yes, it saddens me long....  
Help me make it through the night.

Take the ribbon from my hair  
Shake it loose and let it fall  
Layin' soft against your skin  
Like the shadow on the wall

Come and lay down by my side  
Till the early mornin' light  
All I'm takin' is your time  
Help me make it through the night

I don't care what's right or wrong  
'n' I won't try to understand  
Let the devil take tomorrow  
Lord, tonight I need a friend

Yesterday is dead and gone  
And tomorrow's out of sight  
And it's sad to be alone  
Help me make it through the night

And it's sad to be alone  
Help me make it through the night

I don't want to be alone  
Help me make it through the night
