

Rescue Me

Bryan Ferry

Protect me in your arms
I want your tender charms
I'm a lonely, I'm blue
I need you, your love true.
Rescue me
Rescue me
Take my heart
Take your love
And ev'ry part
I'm a lonely and I'm blue
I need you and your love true.
Rescue me
Rescue me
Protect me in your arms
I want your tender charms
I'm a lonely, baby
Rescue me
