

That's How Strong My Love Is

Bryan Ferry

If I was a songbird way up there
I'd go with love most everywhere
I'll be the moon when the sun goes down
Just to let you know that I'm still around

That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is

I'd be the weeping willow drowning in my tears
And you could go swimming when you're here
And I'd be the rainbow after the tears are gone
Wrap you in my colors, keep you warm

That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is

I'd be the ocean so deep and wide
And get all the tears whenever you cried
And I'd be the breeze after the storm is gone
To try your eyes and wrap you warm

That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is

That's how strong my love is
That's how strong my love is
So much love, so much love
That's how strong my love is

Any kind of love you want, I would get for you
Any kind of love, any kind of love
That's how strong my love is
That's how it is
