

Honestly

Bryan J

Man this is probably the hardest thing I ever had to do!
And I just wanna be honest with you,
You always said we could talk it out!
So, here it is!

First off, let me see some things,
Gotta clear it out, get out of my chest.
I had a lot of...
But baby girl you're the best!
When we hooked up, you said we'd keep it easy,
But lately is uneasy for me!
We were friends with benefits,
So one day I looked at your facebook status
Saying that your relationship is complicated.
Now what I'm about to say is...
Cause I love you so much!
But I just gotta tell you how I feel girl, honestly!

Maybe it's time that we just move one, move on!
Maybe it's best that we just let it go, let go,
Instead of holding on to something that we both know
... for us, and honestly I am ready to walk away,
But I'll end up hurting more if I stay!
I don't wanna leave!
You don't want me to leave,
But you know that we don't want the same thing.
Honestly, honestly, honestly,
Do we, do we, do we?

Second guess at myself,
Trying to figure out if I play this right.
Got your boy messed up,
She's living here, not without a fight!
Baby... like crazy,.. just looking shady,
I'm just trying to be strong for the both of us, yeah!
You don't understand, but I hope in time you will!
I try to do, do, I've been here! Yea!
And I know what you really need is a man,
The thing is right now, I could only be your friend!
I'm telling you honestly:

Maybe it's time that we just move one, move on!
Maybe it's best that we just let it go, let go,
Instead of holding on to something that we both know
... for us, and honestly I am ready to walk away,
But I'll end up hurting more if I stay!
I don't wanna leave!
You don't want me to leave,
But you know that we don't want the same thing.
Honestly, honestly, honestly,
Do we, do we, do we?
Tell me honestly, do we want the same thing?
Do we, do we, do we?
Honestly, honestly, honestly
