

Let Her See

Bryan J

Just rollin up to the a club
Cause a party in a party to we show up
Getting way know us
Lady is crappin in the bar like buy me a drink...
So tell me wat u think about shorty she is 7+3 (she is 7+3)
She got wat I want (She got wat I want)
And I got wat she need
And I'm a let her see it

Shorty wanna see my cribs, shorty wanna see my cars
She wanna see it cause she know I'm a star.
I'm a let her see it
I'm a let her see it
I'm a let her I-I-I-I mma let her see it
Shorty wanna see my chains, shorty wanna see my eyes
She wanna see it cause I'm doin it right
I'm a let her see it
I'm a let her see it
I'm a let her I-I-I-I mma let her see it

Lookin' at my watch it's bout' quarter to one
Sippin' on something none alcoholic cause I'm under 21
But I ain't got nothing to do with experience
Once you get a load of me I'm a have her trippin like
Bryan j? (Bryan j)
Where you from?, (where you from?)
Where you at? (where you at?)
Can I come (Oooh)
My vocals are smooth my styles so sick
If she ask that I'm a believe that I'm a let her see it (see it)
