

Alpha Omega

Bryan & Katie Torwalt

More than just a name we throw around
'Cause Yours holds power
More than just a faith to talk about
And forget Monday morning
Oh, my soul, don't you forget
Of the days He never left you
What makes you think that what comes next
He's not holding, too?

You're so good to remind us
That this is Your story
You're so good to remind us

You're the Alpha, Omega
Beginning and the End
There's no god beside Him
All glory we will give
Oh-oh-oh, You are good, it is Your nature
Oh-oh-oh, everything You do is good

Ooh, ooh
Everything You do
Everything You do is good
Mm

If it's true Your Kingdom never ends
You're the God of generations
And I know my children will be blessed
To walk with You, too

You're so good to remind us
That this is Your story
You're so good to remind us

You're the Alpha, Omega
Beginning and the End
There's no god beside Him
All glory we will give
Oh-oh-oh, You are good, it is Your nature
Oh-oh-oh, everything You do is good
Oh-oh-oh, You are good, it is Your nature
Oh-oh-oh, everything You do is good
You're the Alpha, Omega
Beginning and the End
There's no god beside Him
All glory we will give
Oh-oh-oh, You are good, it is Your nature
Oh-oh-oh, everything You do is good

Ooh, everything You do is good
Everything You make
Everything You make is good, yes, it is

Mm, the stories we'll tell
We'll see, we'll know it for ourselves
He's so good, He's so good, He's so good
Yes, He is

Ooh, the stories we'll tell
We'll see and we'll know it for ourselves
He's so good, He's so good, He's so good

Yes, He is Alpha, Omega
Beginning and the End
There's no god beside Him
All glory we will give
The Alpha, Omega
Beginning and the End
There's no god beside Him
All glory we will give
We sing oh-oh-oh, You are good, it is Your nature
Oh-oh-oh, everything You do is good, yeah

Hey! Hey!
Everything You do is good

Oh-oh-oh, everything You do is good
Oh-oh-oh, You are good, it is Your nature
Oh-oh-oh, everything You do is good
We sing oh-oh-oh, You are good, it is Your nature
Oh-oh-oh, everything You do is good
