

Be With Me

Bryan & Katie Torwalt

The world falls away
When I see Your face
Jesus, it's always been You
And I hear Your voice
Above all the noise
Jesus, it's always been You
Jesus, it's always been You

Be with me
I just want You to be with me
I don't need You to do a thing
Your love is enough

There's nothing to hide
I'm Yours and You're mine
Jesus, it's always been You
I am complete
What more could I need
Jesus, it's always been You
Jesus, it's always been You

Be with me
I just want You to be with me
I don't need You to do a thing
Your love is enough
Be with me
I just want You to be with me
I don't need You to do a thing
Your love is enough

In Your presence
I know where I stand
I know who I am in Your love
In Your presence
What more could I need
I know I'm a child of God
In Your presence
I know where I stand
I know who I am in Your love
In Your presence
What more could I need
I know I'm a child of God

Be with me
I just want You to be with me
I don't need You to do a thing
Your love is enough
Be with me
I just want You to be with me
I don't need You to do a thing
Your love is enough
