Bryan & Katie Torwalt

Oh, victory, You have won
Victorious, You have come
What was stolen, You brought back to us
Oh, victory, You have won
Victorious, You have come
What was stolen, You brought back to us

Our champion, You fight for us
You made a way, where there was none
Our champion, You're strong in us
The debt we owed, You paid in blood

The One in whom we belong
We'll lift our voice, join His song
We were orphaned, now forever yours

Our champion, You fight for us
You made a way, where there was none
Our champion, You're strong in us
The debt we owed, You paid in blood

We will shout it out, from the mountain tops
That our God is good, He has overcome
Let all the earth, every tribe and tongue
We will sing it out, He has overcome
We will shout it out, from the mountain tops
That our God is good, He has overcome
Let all the earth, every tribe and tongue
We will sing it out, He has overcome

Our champion, You fight for us
You made a way, where there was none
Our champion, You're strong in us
The debt we owed, You paid in blood

Our champion, You fight for us
You made a way, where there was none
Our champion, You're strong in us
The debt we owed, You paid in blood
