

Clean Heart

Bryan & Katie Torwalt

For the times that I've misused Your name
And leveraged it for my own fame
For the kingdoms I've been building on my own
For the times I chose to play it safe
When You said give it all away
For the idols that I've let into my home

Create in me a clean heart God
And renew a right Spirit
And renew a right Spirit within me
Create in me a clean heart God
And renew a right Spirit
And renew a right Spirit within me

For the times I chose the counterfeit
Dismissed Your voice like Jonah did
When I leaned into fear instead of faith
For the narrow path I didn't take
When I fell short in my own strength
You said look and I just looked away
Well, I'm looking now

Create in me a clean heart God
And renew a right Spirit
And renew a right Spirit within me
Create in me a clean heart God
And renew a right Spirit
And renew a right Spirit within me
Renew a right Spirit
A right within me
Yes, a right Spirit, Lord
A right Spirit

The Kindness of God
It leads to repentance
The arms of The Father
Are full of forgiveness
You gave me a clean heart
A place where Your Glory can rest
You made me a temple
A place where Your Presence can live

The Kindness of God
It leads to repentance
The arms of The Father
Are full of forgiveness
You gave me a clean heart
A place where Your Glory can rest
You made me a temple
A place where Your Presence can live
You gave me a clean heart
A place where Your Glory can rest
You made me a temple
A place where Your Presence can live

Create in me a clean heart God
And renew a right Spirit

And renew a right Spirit within me
Create in me a clean heart God
And renew a right Spirit
A right Spirit
Ooh, a right Spirit
