

It Was Finished

Bryan & Katie Torwalt

It was finished
On that day
Death was beaten
All darkness was slain
All His passion
Poured out like the rain upon the earth

Three days buried
They came to mourn
The stone was rolled away
The veil was torn
For He had risen
He is the King of all the earth

Hallelujah
He has conquered death
We cry holy
He reigns in all the earth
Hallelujah
He has conquered death
And He reigns

The room was shaken
The wind of God
Fire from heaven
Descended upon
The Holy Spirit
The power of God
For all the earth

Hallelujah
He has conquered death
We cry holy
He reigns in all the earth
Hallelujah
He has conquered death
And He reigns
And He reigns

Let the angels sing
Holy is our King
Let the angels sing
Holy is our King
Let the angels sing
Holy is our King
Let the angels sing
Holy is our King

Hallelujah
He has conquered death
We cry holy
He reigns in all the earth
Hallelujah
He has conquered death
And He reigns
He reigns
