

# Perfume

Bryan & Katie Torwalt

With all I have, I give everything  
My life, my breath, an offering  
And I will sing no other name, Jesus  
My life laid down, I'll go where You lead  
Mountains bow down in front of me  
And I will sing no other name, Jesus

Ooh, and all praise belongs to You  
So let worship fill the room  
As we pour it out, sing, "Hallelujah"  
Let this life be like perfume  
A pleasing gift to You  
As we pour it out, sing, "Hallelujah"

With all I have, I give everything  
My life, my breath, an offering  
I will sing no other name, Jesus, ooh

And all praise belongs to You  
So let worship fill the room  
As we pour it out, sing, "Hallelujah"  
Let this life be like perfume  
A pleasing gift to You  
As we pour it out, sing, "Hallelujah"

In the day, in the night  
You are good, You're always there for me  
When I rest, when I rise  
You are good, You know what's best for me  
In the day, in the night  
You are good, You're always there for me  
When I rest, when I rise  
You are good, You know what's best for me  
You are good, You know what's best for me  
You are good, You're always there for me  
You are good, You are what's best for me  
Yes, You are

And all praise belongs to You  
So let worship fill the room  
As we pour it out, sing, "Hallelujah"  
Let this life be like perfume  
A pleasing gift to You  
So we pour it out, sing, "Hallelujah"

Sing, "In the day"  
In the day, in the night  
You are good, You're always there for me  
When I rest, when I rise  
You are good, You know what's best for me (Sing it out, "In the day")  
In the day, in the night  
You are good, You're always there for me  
When I rest, when I rise  
You are good, You know what's best for me (Sing, "You are good")  
You are good, You know what's best for me  
You are good, You're always there for me  
You are good, You know what's best for me

You are good, You are what's best for me  
You are good, You know what's best for me (Hey, yeah, yeah, yeah)  
You are good, You know what's best for me  
You are good, You know what's best for me (I don't have to worry)  
You are good, You know what's best for me (I don't have to fear, no)  
You are good, You know what's best for me (I don't have to fear, no, no)  
You are good, You know what's best for me (I don't have to worry)  
You are good, You know what's best for me (Oh, all fear breaking off tonight  
, freedom is here tonight in this place)  
You are good, You know what's best for me (Hey, yeah)

Let's sing, "All praise"  
Thank You, Lord  
All praise belongs to You  
So let worship fill the room  
As we pour it out, sing, "Hallelujah"  
Let this life be like perfume  
A pleasing gift to You  
As we pour it out, sing, "Hallelujah"  
Mm

In the day, in the night  
You are good, You're always there for me  
When I rest, when I rise  
You are good, You know what's best for me  
You know what's best  
In the night  
You are good, You're always there for me  
When I rest, when I rise  
You are good, You are what's best for me

You are good, You're always best for me  
You are good, You are what's best for me  
You are good, You're always best for me  
You are good, You're always best
