

Praise Will Be My Song

Bryan & Katie Torwalt

When all I have is just a whisper
You breathe in me a new song
You take me back
And I'll remember
The joy of my first love

Praise will be my song
How can I contain it
I cannot contain this love
Praise will be my song
How can I contain it
I cannot contain this love
I cannot contain this

For what we lacked
Your blood has covered
What we get is what you paid for
Cause through your death
Our lives reborn
The joy of our salvation

Praise will be my song
How can I contain it
I cannot contain this love
Praise will be my song
How can I contain it
I cannot contain this love
Praise will be my song
How can I contain it
I cannot contain this love
Praise will be my song
How can I contain it
I cannot contain this love

I'll shout out
I will sing of your love for me
As you reach out
I can feel you all around (oh)
I'll shout out
I will sing of your love for me
As you reach out
I can feel you all around (oh)
I'll shout out
I will sing of your love for me
As you reach out
I can feel you all around (feel you all around)
I'll shout out
I will sing of your love for me
As you reach out
I can feel you all around (oh)

(I can feel You)
(I can feel You)
(I can feel You)
(I can feel You)
(Only you are Lord)

Praise will be my song
How can I contain it
I cannot contain this love
Praise will be my song
How can I contain it
I cannot contain this love
Praise will be my song
How can I contain it
I cannot contain this love
Praise will be my song
How can I contain it
I cannot contain this love
Praise will be my song
How can I contain it
I cannot contain this love
Praise will be my song
How can I contain it
I cannot contain this love
