

Sound Mind

Bryan & Katie Torwalt

In the chaos, You are the Peace
In my suffering, You're here with me
In the darkness, You never leave
God of Mercy, you're walking with me
I surrender, Anxiety
All the striving has to cease
In this moment, You're still King
This is the gift You are giving to me

A sound mind, for the spirit of fear
A sound mind, so that I can see clearly
A sound mind, Your Spirit is here
A sound mind, a sound mind
A sound mind
Wash over me

There's a table where we meet
It's in the presence of my enemies
I will listen, I will feast
On every word you are speaking to me
I remember, who you are
You are my fortress, and my God
I will stand in, authority
In Jesus Name, all the darkness will flee

A sound mind, for the spirit of fear
A sound mind, so that I can see clearly
A sound mind, Your Spirit is here
A sound mind, a sound mind
A sound mind, for the spirit of fear
A sound mind, so that I can see clearly
A sound mind, Your Spirit is here
A sound mind, a sound mind

Saved, healed, delivered me
Jesus' blood wash over me
Command my soul awake, arise
Use each breath to prophesy, to prophesy

Saved, healed, delivered me
Jesus' blood wash over me
Command my soul awake, arise
Use each breath to prophesy, to prophesy

Saved, healed, delivered me
Jesus' blood wash over me
Command my soul awake, arise
Use each breath to prophesy

A sound mind, for the spirit of fear
A sound mind, so that I can see clearly
A sound mind, Your Spirit is here
A sound mind, a sound mind
A sound mind, for the spirit of fear
A sound mind, so that I can see clearly
A sound mind, Your Spirit is here
A sound mind, a sound mind

Saved, healed, delivered me

Command my soul awake, arise
Use each breath to prophesy, to prophesy

Saved, healed, delivered me

A sound mind, for the spirit of fear
A sound mind, so that I can see clearly

A sound mind, a sound mind
A sound mind, for the spirit of fear
A sound mind, so that I can see clearly
