

## Amen

Bryan White

I know we shouldn't miss church, but one Sunday won't hurt.  
It's just one of those days  
besides, I don't think the Man will mind if I take in something  
spiritual  
right here, right now in your eyes.  
Can I get an Amen?  
I'm up for just laying in bed, shutting it down for once instead.  
We've always got to be somewhere.  
This feels like an answered prayer  
So why don't we give that sweet red dress, you wear so well, the  
day off...  
Can I get an Amen?  
Every once in awhile, every now and then,  
Can I get an Amen?
