

# Blindhearted

Bryan White

I made a promise to myself  
Never again to get burned by someone else  
Until you walked in  
I felt the old magic begin  
I felt the room startin' to spin  
As my will came tumbling down

I can't help it if I'm blind hearted  
Fallin' again  
I can't help it if my life has started  
Slowly cavin' in  
And I keep on holdin' out for you  
Oh, I guess I'm just a blind hearted fool

I've got to find a way to live, on my own  
I need to find someone who'll give me  
Love that's strong  
It's like a race against time  
Until your face enters my mind  
And you still burn me to the ground

I can't help it if I'm blind hearted  
Fallin' again  
I can't help it if my life has started  
Slowly cavin' in  
And I keep on holdin' out for you  
Oh, I guess I'm just a blind hearted fool

Tell everyone to gather 'round  
They won't believe the view  
They're looking at a blind hearted fool  
Over you
