Tonight

BryanStars

We were kids
It was all just a mess
We were scared to death
Of getting older
We were young
But we couldn't care less
About the world
We were getting bolder

I kiss you
You kiss me
We'll make this never ending
I love you
You trust me
It's everything it should be

We'll make tonight
The night we've been waiting for
Our whole lives
One chance to get this right
So let's go fucking crazy tonight
We'll make tonight
The night we've been waiting for
Our whole lives
One chance to get this right
So let's go fucking crazy tonight

I close my eyes
You've held your breath
I couldn't wait for this to happen
My first
Your last
We've been waiting for forever

I kiss you
You kiss me
We'll make this never ending
I love you
You trust me
It's everything it should be

We'll make tonight
The night we've been waiting for
Our whole lives
One chance to get this right
So let's go fucking crazy tonight
We'll make tonight
The night we've been waiting for
Our whole lives
One chance to get this right
So let's go fucking crazy tonight

Do you believe in love?
It's all I've ever wanted
Do you believe in love?
Then let's just get it started
Do you believe in love?

It's all I've ever wanted
Do you believe in love?
Then let's just get it started

We'll make tonight
The night we've been waiting for
Our whole lives
One chance to get this right
So let's go fucking crazy tonight
We'll make tonight
The night we've been waiting for
Our whole lives
One chance to get this right
So let's go fucking crazy tonight

Do you believe in love?
Let's go crazy tonight
Do you believe in love?
Let's go crazy tonight
Do you believe in love?
Let's go crazy tonight
Do you believe in love?
Let's go crazy tonight
