

'Til Death Do Us Part

Bryant Barnes

Baby, I've been waiting to see your face again
I can't stop my heart from racing as you take my hand
Never thought there'd be someone beside me
But, baby, I

I give my all to you
You've shown me love that I never knew
You pull me out of my darkest blue
And you're with me in everything I do
Oh, it's true
You're in my arms
Holding my heart
'Til death do us part
I give my all to you
'Cause I'm so in love with you

As long as I can remember, you've been my everything
And without you, I'm hurting forever. What have you done to me?
Never thought there'd be someone beside me
But, baby, I

I give my all to you
You've shown me love that I never knew
You pull me out of my darkest blue
And you're with me in everything I do
Oh, it's true
You're in my arms
Holding my heart
'Til death do us part
I give my all to you
'Cause I'm so in love with you
