

# Why Can't You

Bryant Barnes

Here I am again  
Love  
I hope you don't mind  
Hope you don't mind  
Cause I don't wanna be alone for the rest of my life  
Tried to hide my sins, now  
But where could they lie?  
You're in control and I can't let go  
I'm here til' we die

Mental solitude  
I remember it was subtle  
You would tell me in the summer  
You could never lover another  
It's no longer true  
Now I'm waiting for a phone call  
Where are you pride?  
Are you alive?  
Is this a sign  
To get over

You  
I love you  
Why can't you  
Be in love?  
Oh, why can't you?  
What do I do?  
Why can't you be in love?

Here I am again, love  
I hope you don't mind  
Hope you don't mind  
Cause I don't want to be alone  
For the rest of my life

And if you were to change your ways  
For me  
I would cry  
Cause then I would know  
If we'd still have hope  
And maybe we could survive

Mental solitude  
I remember it was subtle  
You would tell me in the summer  
You could never love another

It's no longer true  
Now I'm waiting for a phone call  
Where are you pride?  
Are you alive?  
Is this a sign  
To get over  
You  
I love you  
Why can't you  
Be in love?

Oh, why can't you?  
What do I do?  
Why can't you be in love?

Oh, I'm so in love  
With you  
So can we  
Be in love?
