

Butterfly

Bryce Fox

Thousands of miles away I found my piece of home
An unassuming place to save a wretched soul
You turned your head away, I came on way too strong
But this time a broken record sang a hopeful song

Saying hey girl
What do you say, girl?

Fly on the wings of a butterfly
If you want to love someone
Fight for the dream to come alive
No matter where you get it from

'Cause easy come, easy go
But if you want to love someone
Fly on the wings of a butterfly
Aye aye aye aye

Thought it was a little too late
Something that I don't deserve
Every day I feel a little guilty
That I'm the only one that's yours
Lost in love you gave me the son
Hang tight it's a wild ride we're on

Say it hey boy
What do you say, boy?
(Come on)

Fly on the wings of a butterfly
If you want to love someone
Fight for the dream to come alive
No matter where you get it from

'Cause easy come, easy go
But if you want to love someone
Fly on the wings of a butterfly
Aye aye aye aye
Aye aye aye aye

Take me to your garden's gate
With the flowers we'll create
Fly on the wings of a butterfly
If you want to love someone
