

# M.I.A.

Bryce Fox

You wanna get out of here?  
Where do you wanna go?

Our Love is formidable  
Touches your heart from sharp to sweet  
Oh, do you find me a criminal?  
To run from where the eye can't see?

I say, hey hey M.I.A.  
They're never gonna find us M.I.A.  
I say, hey hey M.I.A.  
They're never gonna find us M.I.A.  
I say, hey hey M.I.A.  
They're never gonna find us M.I.A.  
I say, hey hey M.I.A.  
They're never gonna find us  
No, they're never gonna find us

Our sickness you can't control  
It takes a liar to cheat this game  
Oh, no  
But this secret is ours to hold  
Like leeches on a brand new vein

I say, hey hey M.I.A.  
They're never gonna find us M.I.A.  
I say, hey hey M.I.A.  
They're never gonna find us M.I.A.  
I say, hey hey M.I.A.  
They're never gonna find us M.I.A.  
I say, hey hey M.I.A.  
They're never gonna find us  
No, they're never gonna find us

No, no, no, no, no  
No, no, no, no, no, no  
No, no, no, no, no  
No, no, no, no, no, no

Come on!  
I say, hey hey M.I.A.  
They're never gonna find us M.I.A.  
I say, hey hey M.I.A.  
They're never gonna find us M.I.A.  
I say, hey hey M.I.A.  
They're never gonna find us M.I.A.  
I say, hey hey M.I.A.  
They're never gonna find us  
No, they're never gonna find us...
