

People Watching

Bryce Fox

(Mmmh mmmh mmmh)
(Mmmh mmmh mmmh)
She walking in slow
Like she got places to go
Don't want to take this thing home
That's disclosure
(Mmmh mmmh mmmh)

She sick of waiting on hold
She want that dagger and cloak
Jumped me right here in the cold
That's exposure
(Mmmh mmmh mmmh)

No she don't play
Hands on my face
Staking her claim
I can't complain
I don't fight it, I don't fight it
I know what they'll say
That doesn't change
I'm not ashamed
I'm not ashamed
I don't mind it, I don't mind it

She like people watching
She don't really care who sees
She like people talking
With her hands all over me
She don't hide from it
And I love the way it feels ooh darlin'
She like people watching
She like people watching

I can see you're all in
Mob steady
Boy the streets got no shot
Look at this heavy hitter
(Mmmh mmmh mmmh)
Mmmh
(Mmmh mmmh mmmh)
I put money on the show stop
Fire ready got the whole damn road blocked
Look at this heavy hitter
(Mmmh mmmh mmmh)
(Mmmh mmmh mmmh)

No she don't play
Hands on my face
Staking her claim
I can't complain
I don't fight it, I don't fight it
I know what they'll say
That doesn't change
I'm not ashamed
I'm not ashamed
I don't mind it, I don't mind it

She like people watching
She don't really care who sees
She like people talking
With her hands all over me
She don't hide from it
And I love the way it feels ooh darlin'
She like people watching
She like people watching
