

Sentiments

Bryce Fox

I got my lips locked with the blocks to my heart
That I'm never gonna let you through
Look in my eyes just a little too long
So the fire won't let you choose
'Cause I've been waitin' for a long night, ba-by
You've got me hopin' for a long night, ba-by

I won't ever give you all my sentiments
You've gotta kno-kno-kno-kno-know
Ohh, ohh, ohh
I wanna keep you thinkin' 'bout it
Lookin' for mo-o-o-o-ore
Ohh, ohh, ohh
I've got you all tongue tied
Just thinkin' that I might go home
Ohh, ohh, ohh
I won't ever give you all my sentiments
You've gotta kno-kno-know
Ohh, ohh, ohh
I need ya lookin' for more

Ohh, ohh, ohh
Ohh, ohh, ohh
Ohh, ohh, ohh
'Cause I've been waitin' for a long night, ba-by

Thinkin' if there's a way to get me out
I'd better not go, I'd better not go
I could see you in my sleep
If I kept you dreamin'
Better not though
'Cause I've been waitin' for a long night, ba-by
You've got me hoping for a long night, ba-by

I won't ever give you all my sentiments
You've gotta kno-kno-kno-kno-know
Ohh, ohh, ohh
I wanna keep you thinkin' 'bout it
Lookin' for mo-o-o-o-ore
Ohh, ohh, ohh
I've got you all tongue tied
