

All That I Need

Bryce Savage

Woah, yeah
Woah, yeah
Woah, yeah
Let's go, yeah, let's go

I'm a little too honest, yeah
I promise, yeah
Pull you into darkness, yeah
But I swear I'm harmless, yeah
Don't leave me no
'Cause you need me, woah
She don't like that, no
She gon' fight that, woah
Baby, tell me what you want, tell me what you need
I could give you what you want, love or anything
If you wanna have some fun we can up and leave
Out the back of this ol'club, baby, come with me

So baby, tell me what you want you drive me crazy
Do you really love me or you hate me?
I'm sorry for the way that I've been lately
Oh yeah
So baby, tell me what you want you drive me crazy
Do you really love me or you hate me?
I'm sorry for the way that I've been lately
Oh yeah

Let's go, yeah, uh
I just need a break
I just need to get away, yeah
You're the one to take all my pain and make it go away, uh
What you say?
Baby girl you comin' or you stay? Uh
Look at me, you could be the one to make me change, yeah
I thought that my heart was stone, but I'm falling in love
Broken like all of my bones and I wish that I was tough
But you melt me like a cone, cream is rolling off your tongue
I can't seem to be alone I just need someone to love

So baby, tell me what you want you drive me crazy
Do you really love me or you hate me?
I'm sorry for the way that I've been lately
Oh yeah
So baby, tell me what you want you drive me crazy
Do you really love me or you hate me?
I'm sorry for the way that I've been lately
Oh yeah
