Crazy

Bryce Savage

I can feel your touch all on my skin I wanna vibe again

So I'll lay you down easy
I live for your touch and I'm feeling the rush and
I'll lay you down easy

You drive me so crazy
Call you my baby
You drive me so crazy
Call you my baby

I can feel your touch I'll die to sin I wanna drown again
And when you leave I'm nothing I know I'm fallin I'm in love ag
ain

So I'll lay you down easy
I live for your touch and I'm feeling the rush and
I'll lay you down easy

You drive me so crazy
Call you my baby
You drive me so crazy
Call you my baby
