

Dead And Gone

Bryce Savage

When I'm dead and gone
Will you play my songs?
Would you just move on?
I'm gone, I'm gone, I'm gone
If she can't be saved
Bury her with me
Deep and far away
Were gone, were gone, were gone

I don't ever really wanna die
I'm scared of what's on the other side
But baby, you sure help me feel alright
We'll be fine, be fine, be fine
If you were to drop dead today
I'd want to be buried in your grave
Lie together for eternity
By your side, your side, your side

When I'm dead and gone
Will you play my songs?
Would you just move on?
I'm gone, I'm gone, I'm gone
If she can't be saved
Bury her with me
Deep and far away
Were gone, were gone, were gone

They always told me 'bout the drugs in the streets, but not the
drugs in the sheets, oh no
They always told me 'bout the drugs in the streets, but not the
drugs in the sheets, oh no

When I'm dead and gone
Will you play my songs?
Would you just move on?
I'm gone, I'm gone, I'm gone
If she can't be saved
Bury her with me
Deep and far away
Were gone, were gone, were gone
