

Emotionless

Bryce Savage

Nights, yeah
Sipping on sprite, yeah
Dead all up inside, yeah
Styrofoam ice, yeah
Something isn't right, yeah
See it in her eyes and emotionless, emotionless, yeah

Everybody's all good, we're all fine
But we got all of these thoughts in our minds
Yeah, parties out in LA, they shed light
Even all the prettiest girls got shit to hide
Stayin' up late, 'cause we don't wanna fall asleep
Sip on anything, 'cause sober thoughts are killing me
I don't know what day
It ever is, in the week
It's alright, I'm alright, yeah

Nights, yeah
Sipping on sprite, yeah
Dead all up inside, yeah
Styrofoam ice, yeah
Something isn't right, yeah
See it in her eyes and emotionless, emotionless, yeah
Nights, yeah
Sipping on sprite, yeah
Dead all up inside, yeah
Styrofoam ice, yeah
Something isn't right, yeah
See it in her eyes and emotionless, emotionless, yeah

I just wanna spread my wings, so much shit I wanna see
Take a flight to be above, everybody everything
I just wanna be enough for the people lovin' me
But this life is getting tough when I don't know who to be
You can come with me if you think you feel the same
We could start a place where nobody feels the pain
We can sip and drink till it all just fades away
Till it all just fades away
Is that the right way?

Nights, yeah
Sipping on sprite, yeah
Dead all up inside, yeah
Styrofoam ice, yeah
Something isn't right, yeah
See it in her eyes and emotionless, emotionless, yeah
Nights, yeah
Sipping on sprite, yeah
Dead all up inside, yeah
Styrofoam ice, yeah
Something isn't right, yeah
See it in her eyes and emotionless, emotionless, yeah

I'm over it, I'm over it, yeah
We're over it, we're over it, yeah
This hopelessness, this hopelessness, yeah
Emotionless, emotionless, yeah

Nights, yeah
Sipping on sprite, yeah
Dead all up inside, yeah
Styrofoam ice, yeah
Something isn't right, yeah
See it in her eyes and emotionless, emotionless, yeah
Nights, yeah
Sipping on sprite, yeah
Dead all up inside, yeah
Styrofoam ice, yeah
Something isn't right, yeah
See it in her eyes and emotionless, emotionless, yeah
Nights, yeah
Sipping on sprite, yeah
Dead all up inside, yeah
Styrofoam ice, yeah
Something isn't right, yeah
See it in her eyes and emotionless, emotionless, yeah
