

# Fall Fast

Bryce Savage

I don't wanna fall fast  
No for my safety  
I don't wanna throw back  
To my past baby  
You been lookin so bad  
Driving me crazy  
I don't wanna fall fast  
No for my safety  
I just wanna know that  
You ain't gonna play me  
Lookin like all that  
Baby don't hate me

I just want it all for me  
Wanna see for me  
Listen to you call for me  
In my ear all on me  
Baby you're a part of me  
Just like the scars you see  
Never want you far from me  
Taking my heart for me  
Ay triple xxx  
Baby what's next, next, next  
Girl you so blessed, blessed, blessed  
I'm obsessed  
Give me your best, best, best  
Your perfect undressed, dressed, dressed  
So baby what  
Baby what's next, next, next  
Girl your so blessed, blessed, blessed  
I'm obsessed  
Give me your best, best, best  
Your perfect undressed, undressed

I don't wanna fall fast  
No for my safety  
I don't wanna throw back  
To my past baby  
You been lookin so bad  
Driving me crazy  
I don't wanna fall fast  
No for my safety  
I just wanna know that  
You ain't gonna play me  
Lookin like all that  
Baby don't hate me

Let's just get lost for me  
Show me what you like to do cause I like the way you move  
Just climb on top of me  
Never will forget the view I love ever inch of you

I don't wanna fall fast  
No for my safety  
I don't wanna throw back  
To my past baby  
You been lookin so bad

Driving me crazy  
I don't wanna fall fast  
No for my safety  
I just wanna know that  
You ain't gonna play me  
Lookin like all that  
Baby don't hate me
