

I Hate When We Fight

Bryce Savage

God I hate it when we fight like that
This will never be ok
You can't even look at me
No I hate it when we fight like that
I just wanna feel the same
As earlier today
Yeah I don't ever wanna fight like that
I don't wanna go to sleep
With these feelings underneath
No I never wanna fight like that
And I know you feel the same
We still love through the pain
But I hate it when we fight like that...

Cuz I feel like I could lie right back
Stick a knife in me die like that
Anytime that we fight like that...
I don't wanna feel these things
Those little remarks that you make they sting...
I know I also say dumb things
The heat of the moment makes us change...
And everything sucks when you
And I feel like we're falling apart in two
And I just always wanna be a part of you
I don't feel the same when I'm far from you
And I know that it's hard to do
But maybe we forgive each other start anew
Cuz I don't ever want a broken heart a bruise
And I know that you've had a few scars removed

God I hate it when we fight like that
This will never be ok
You can't even look at me
No I hate it when we fight like that
I just wanna feel the same
As earlier today
Yeah I don't ever wanna fight like that
I don't wanna go to sleep
With these feelings underneath
No I never wanna fight like that
And I know you feel the same
We still love through the pain
But I hate it when we fight like that...

God I hate it when we fight like that
Yeah I don't ever wanna fight like that
No I never wanna fight like that
God I hate it when we fight like that
