

Sad

Bryce Savage

(But she looks too good to be so damn sad)

She look good in all black
Hole in her chest, ripped out from her past
Cold to the touch, she ain't never coming back
Sold all her love to the devil too fast
But she looks too good to be so damn sad
Teeth so sharp, gotta smile like a cat
With and e-girl face and a body so bad
I just wanna do dirty things in the back
'Cause she looks too good to be so damn sad

With a face like that
And a body full of tats
Looking so perfect
Like she made in a lab
I like the way she move
Got that rhythm on tap
Yeah, I love the way she looks when her eyes roll back
But she too damn pretty to be so damn sad
Her mind so busy wanna slow her down
Grab a bottle she like
Put it in a glass
And we gon' have ourselves a good time that'll last

Just a little lost and lonely
But she deserves to feel like the only
Person in the room when she's with me
We could find our way around the world, different cities
Imma take her to places that she has never been
We gon' do new things then do them again
She'll hope it never ends
And I'll be there to make sure that it never ends

She look good in all black
Hole in her chest, ripped out from her past
Cold to the touch, she ain't never coming back
Sold all her love to the devil too fast
But she looks too good to be so damn sad
Teeth so sharp, gotta smile like a cat
With and e-girl face and a body so bad
I just wanna do dirty things in the back
'Cause she looks too good to be so damn sad
