

Toxic

Bryce Savage

This is so toxic
I think I need a little bit of space
I'm being held hostage
By all the things I don't wanna face

I feel overwhelmed
Been going through hell
I know you can't tell
Cuz I don't show it well
My mind is racing, can't stop it
Never been able to communicate

This is so toxic
I think I need a little bit of space
I'm being held hostage
By all the things I don't wanna face

I feel overwhelmed
Been going through hell
I know you can't tell
Cuz I don't show it well
My mind is racing, can't stop it
Never been able to communicate
