

DAMAGE

Bryce Vine

Yeah!

I think I played it pretty cool with you, babe
You found a way to break the rules, too straight
Was really hoping you don't want from me
Want from me
Now you wanna run from me
Run from me
You're my day (day!)
Just a little bit
Fake a smile for the medicine
I see love a little different
It's a mess, but I stay feelin' it

Maybe I can manage
But you still did some damage
We were livin' lavish before
You up and vanished
Wasted time and energy
Let me start with memories
I do my best to manage
But you still did some damage
La, la, la-la, la-la-la, la, la
La-la-la, la-la, la, la
La-la-la, la-la, la, la
But you still did some damage

So, why you wanna pull up
Now that I got my bread up
Tell me that you want me
You just tryna fuck my head up
I don't wanna waste more time with you
Spilling me around this time or two (yeah)
Oh wait
Outside, with the girls don't wildin'
Running through the city on a Thursday night
I see, love a little different (yeah)
In months, but I stay feelin' it
'Cause

Maybe I can manage
But you still did some damage
We were livin' lavish before
You up and vanished (uh)
Wasted time and energy
Let me start with memories
I do my best to manage
But you still did some damage (yeah, yeah, yeah)
La, la, la-la, la-la-la, la, la
La-la-la, la-la, la, la
La-la-la, la-la, la, la (hey!)

But you still did some damage
La, la, la-la, la-la-la, la, la (hey!)
La-la-la, la-la, la, la
La-la-la, la-la, la, la
But you still did some damage
