

# Help

Bryce Vine

I could dive head first  
And you know I would land on my feet  
If I could go backwards  
I would undo everything  
Those drunk nights you called me, my head hurt  
You're always talkin' shit, make me feel like I'm crazy

I don't need help, I don't need help  
Go ahead and tell all your friends that you found someone else  
But you put me through hell, I've been through hell  
Whatever makes you feel better, baby, lie to yourself  
But I don't need your help  
I don't need your help (Oh, no, no)  
Oh (Oh, no, no)

Girl, you say you're happy, you could've fooled me  
Yeah, I'm just reminiscin' in my jacuzzi  
For a minute, our life felt like a movie  
Now you're just movin' mad, different attitude, ooh-wee, uh (Ooh-wee)  
I don't care what you gon' do  
Just tell me now, I don't give a fuck about you  
I've had enough of your bullshit, so you  
Can get the fuck out, honestly, fuck you  
I know it's hard to digest (Woah-oh-oh)  
Things that I say, I say with my chest (Woah-oh-oh)  
Yeah, girl, I hope, you can hear me on the radio  
I just thought I should tell you that

I don't need help, I don't need help  
Go ahead and tell all your friends that you found someone else (Found  
someone else)  
But you put me through hell, I've been through hell (I've been through

But I don't need your help

I just don't know anymore, I just don't know anymore  
What are you blaming me for? Quit tryna save me
