

Nobody

Bryce Vine

Ain't no-fucking-body
Ain't nobody like me, nah
Ain't no-fucking-body like me
And I ain't like nobody
Ain't nobody like me, nah
Ain't nobody like me

I was never gone but I'm back with my hoodie on
Tell the DJ I'm in here, she know to play my favorite song
Yeah, I'm the don, when I sing it yeah they sing along
Sweeney for the weekend 'cause you know I got a thing for blondes
Let's be frank, if life an ocean, I'ma dive right in
Like my nappy-headed roots, forever sun-kissed skin
I tell the crowd to keep it loose to match the state that I'm in
Don't matter if I said it already, I'll say it again, like

Ain't no-fucking-body
Ain't nobody like me, nah
Ain't no-fucking-body like me
And I ain't like nobody
Ain't nobody like me, nah
Ain't nobody like me
Ain't no-fucking-body
Ain't nobody like me, nah
Ain't no-fucking-body like me
And I ain't like nobody
Ain't nobody like me, nah
Ain't nobody like me

Tarantinos
Outta Miami, got a heat stroke
Treat me like Seth for the free-throw
I don't play games, okay, no cheat codes
Hear it in the crowd when we go, like

Oh, I do it 'cause I can
I am whatever I say I am

Ain't no-fucking-body
Ain't nobody like me, nah
Ain't no-fucking-body like me
And I ain't like nobody
Ain't nobody like me, nah
Ain't nobody like me
Ain't no-fucking-body
Ain't nobody like me, nah
Ain't no-fucking-body like me
And I ain't like nobody
Ain't nobody like me, nah
Ain't nobody like me

Nobody like, nobody like
Yeah yeah yeah
Nobody like me
Nobody like, nobody like
Yeah yeah, sh
