

## Not A Baby

Brye

Some celebrities daughter is touring again  
I'm sitting in my room picking at my skin  
She's singing on stage about alcoholism  
I'm online buying books on autism

I think about her and I feel pretty small  
I wish that were me, radio in the mall  
Selling out shows, fast metabolism  
The industry has quite a knack for nepotism

And I'm not a baby  
Oh I'm not a baby

Some comedians son got a record deal  
He hasn't put out any music  
But I'm sure that he will  
Have the best team, the biggest budget  
I'll stalk his wiki and pretend I'm above it

I don't mean for this song to be a dig  
I apologize if it comes off like I did  
I love their voices, they've got good lyrics  
I'm chronically insecure  
There's nothing else to it

And I'm not a baby  
Oh I'm not a baby

"1 2 3 GO"

Oh I'm not a baby  
Oh I am not a baby
