I have no memory  
Of falling in love  
It's been wiped clean  
Every kiss, smile, slow dance, hug

It's like it up 'n left  
Right when he did  
But he had no right  
To take my memories with him

I've got friends who say  
Love's like a warm kiss  
Like butterflies In your heart  
Instead of in your stomach

Other's say they never  
Want to fall again  
It hurts too bad when it's over  
When it's not reciprocated

Love is overrated  
Love is overrated  
Too much hurt  
Too much pain  
To be worth all the time you wasted

Love is overrated  
Makes me sick to my stomach  
Constantly shoved  
In my face  
I want love to be erased

I'm sure it feels good  
To have someone to talk to  
But I'd rather be with my girlfriends  
Than some boy who give's me trust issues

These boys, they blow mind  
How they mess it up every time  
Someone always gets hurt  
And the timings never right

I  
Don't need your love  
Get it out

Of my face  
I  
Put my needs above  
Some stupid Guy
