

Back Train

Brygada Kryzys

back train

livin' in a subway train

today I saw a boy
he came down to hide
from what he hated most:
the World Outside
he knows no way back
he's come to stay
wish he met another Christ
before it's too late

livin' in a subway train
livin' in a subway train
livin' in a subway train
livin' in a subway...
livin' in a subway train
