Where the people care and the government fear

You go hear the true stories
Things dey hard for everybody
Brain gain na e we need

Some people stay
Through the wear and tear
Na how you go tell
If e real, I swear
Love no be game like chess
Dark skin people dey hear

Plenty plenty stories
Na wen you go
You go hear the full story
Things dey hard for everybody
Brain gain na e we need

Plenty plenty stories

Brain gain na e we need
