

## Dear Child

Brymo

Grandma  
Was a very good old lady  
She tried and died  
Working to feed her grown babies  
From dusk to dawn  
She laboured for more  
Nothing was okay  
Nothing was ever enough

She say time  
Go heal everything  
Because time go kill everything  
She said a lifetime  
Is enough time  
Say if you take time  
You go fit to make time

Omo oh  
Te ti gbo  
Ohun mo so  
Omo oh  
Te ti gbo  
Ohun mo so

Ofo laye oh
