Ko fa ra ba le
Mo ma fun e l'adun
Bi n ba je yen tan
Matun je kan si
Matun jera mo

Baby baby
Na so you dey do me
That thing you do before
I like the feeling

Femi femi o
Femi femi o
Femi femi o
Femi femi o

Make our body collide
Take the whole of me tonight
I go take possession of your body
We go make magic when we touch
Need your touch

Baby baby
Na so you dey do me
That thing you do now now
I like the feeling

Femi femi oh
Femi femi oh
Femi femi oh
Femi femi oh
